

WORLD OF RADIO 932, produced March 11, 1998 by Glenn Hauser

- \*Mundo Radial for March starts March 12 on WWCN, serialized on Radio Enlace from RN
- \*Thu 2130 on 15685 fairly audible last week in Germany, Oklahoma
- \*Continent of Media at additional time on RFPI: Sat 1730, Sun 0130 just before W.O.R.
- \*New March COM topic list [see our website listing]
- \*Pocket SW radio now labeled Grundig, Mini-World 100 for \$50
- \*Radio Shack discounting DX-398, DX-375, DX-390
- \*House votes 414-1 to outlaw cell phone eavesdropping
- \*New Utopia to be built on Caribbean banks; no radio angle?
- \*Proposal for Barbados to start shortwave broadcasting  
"Shortwave silence a radio mystery" [not "ministry", I misspoke!]
- \*New Peruvian moves onto old frequency
- \*Voz Cristiana, Chile, tested only 3 days, not heard since;  
transmitter and antenna info, studio location
- \*Angolan regional reactivated; VORGAN still on air
- \*V. of Nigeria active on 41m, 19m; news magazine
- \*The program where DX listening and SW listening are equally  
valued, World of Radio 932; P O Box 1684, Enid, OK 73702, USA;  
wgghauser@hotmail.com fax if really necessary: 1-580-233-2948  
<http://www.angelfire.com/ok/worldofradio> is our all-text site
- \*V. of Free Nigeria transmitter site now definite; uncertainties  
of SW direction-finding
- \*V. of Southern Azerbaijan site DF'd
- \*Support for R. Free Iraq
- \*Iraqi clandestine background, SW and MW
- \*Iraqi News Agency press radioteletype sked
- \*Baghdad's external service sked varies, has worst audio
- \*R. Afghanistan clandestine sked
- \*V. of Mongolia reaching equinoctial peak in eastern N. America
- \*CRI acknowledges it has ten new 500 kW transmitters
- \*Vietnam domestic service on new 25m frequency
- \*Vietnam external relayed via Russia to Europe, like Malta
- \*Russia on a good new frequency; hams force it to leave another
- \*Estonia turns off its only SW frequency
- \*Media Zoo program on Astra to get SW airings
- \*BBCWS program not about bagpipes, but muzak
- \*RTE starts weekly SW program, Worlds Apart; schedule, sites
- \*Allan Weiner's Maine SW station assigned call letters; target
- \*FCC licences experimental station to TI on 13 MHz
- \*Special MW DX test March 16 from Annapolis
- \*Quite a mystery on 1680; music-only some evenings from Alabama?
- \*Toronto has a part-time station on 1610
- \*Propagation outlook from Ottawa, March 4
- \*Propagation outlook from Boulder, March 10
- \*Glenn Hauser, concluding World of Radio 932
